

March 18, 2011

Below are anticipated construction activities for the week of 3/21/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Currently, several crews are working to fill potholes at various sites throughout the city. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- Stuart Street from Roosevelt Avenue to 25th Street
- Pennsylvania Street from Maryland Street to Washington Street
- **Madison Avenue spur off of Pennsylvania Street**
- Meridian Street from Troy Avenue to Raymond Street
- Meridian Street from South Street to Washington Street
- Oliver Avenue from Marion Avenue to White River Parkway
- Oriental Street from Michigan Street to 10th Street
- Morris Street from the CSX Railroad to High School Road
- New York Street from West Street to **Meridian Street**
- **South Street from Capitol Avenue to Pennsylvania Street**
- **Cleveland Street at North Street and Michigan Street**
- **Illinois Street from McCarty Street to Merrill Street**

The intersection of Delaware Street and New York Street may be restricted as traffic signal work is underway.

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Lafayette Road between 16th Street and 19th Street and the intersection of 10th Street and Miley Avenue may have some isolated daytime restrictions.

Brick work on Market Street will continue as weather permits.

Lane restrictions are in place on Washington Street from Delaware Street to Capitol Avenue.

Lane restrictions are in place on Michigan Street from Union Drive to Porto Alegre Street due to utility work.

Special pavement markings are being placed at Dr. Martin Luther King, Jr. Street and 30th Street, causing lane restrictions, as needed. Work may continue on Saturdays through April, as the weather permits.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Work is in progress on Capitol Avenue from Washington Street to Maryland Street and also on Alabama Street from Market Street to Washington Street. On Washington Street, just east of Alabama Street, a traffic lane taper will be placed so that the contractor can remove and reconstruct the northeast corner of Alabama Street and Washington Street. Utility relocations are underway on Virginia Avenue south of South Street and on Washington Street from West Street to Delaware Street. The Southeast Phase began construction on Thursday, February 24, with traffic restrictions beginning just south of Maryland Street on Virginia Avenue, under the Conseco Fieldhouse garage. The contractor will be removing the existing curb and sidewalk on the west side of Virginia Avenue. Two-way traffic will be maintained on Virginia Avenue at all times. Work is also starting on New Jersey Street between South Street and Virginia Avenue.

Georgia Street

Georgia Street is closed from Capitol Avenue to Illinois Street to through traffic. One lane remains open to provide one-way ingress for St. John's church and one-way egress from St. John's church and the Denison parking garage. Georgia Street from Illinois Street to Meridian Street is restricted to one lane of traffic. One-way access to the Simon parking garage remains open. Georgia Street from Meridian Street to Pennsylvania Street is restricted to one lane. One-way access to residential and surface parking areas will remain open. Please visit the project Web page at www.indy.gov/georgiastreet.

Scioto Street

Trench work will begin on Scioto Street between Georgia Street and the Union Station parking garage.

WAYNE TOWNSHIP

Concrete curb work on 10th Street between Raceway Road and the CSX railroad overpass has been completed.

Curbs and ramps are being replaced on Morris Street at High School Road, and some sidewalk excavation is underway on Morris Street in this area.

Starting March 28, Cossell Road between Tibbs Avenue and Olin Avenue will be closed for the rehabilitation of the bridge over Little Eagle Creek.

PIKE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. Please visit the project Web page at www.indy.gov/dpw.

WASHINGTON TOWNSHIP

Grandview Drive will be closed from north of Kessler Boulevard to Fox Hill Drive, as well as just south of the Kessler Boulevard intersection.

Installation of guardrail and end sections may occur on Cooper Road.

Concrete repair work on 52nd Street from College Avenue to the Monon Trail is underway

Road repair will be underway in the 4600 block on Sunset Lane.

WARREN TOWNSHIP

Raymond Street will have lane restrictions over Lick Creek during the bridge rehabilitation. The right-hand lanes for both east- and westbound traffic will be closed during this phase.

Some restrictions may be in place as work on Kessler Boulevard begins at its intersection with Sunset Lane. Some work on Sunset Lane may also be underway.

Curb and sidewalk work is underway on Neptune Drive from Post Road to Saturn Drive, as well as at the intersection of East 37th Place and Dubarry Road.

FRANKLIN TOWNSHIP

Sanitary sewer pipe installation continues on Five Points Road from Southeastern Avenue to the CSX Railroad tracks just south of Hanna Avenue. It will be open to LOCAL TRAFFIC ONLY until April 1, 2011.

PERRY TOWNSHIP

Sumner Avenue from Meridian Street to Arbor Avenue will be open to LOCAL TRAFFIC ONLY during sanitary sewer installation. The suggested detour will be posted along the roadway: Harding Street to Troy Avenue to Meridian Street.

Restrictions may be in place at Division Street and Sumner Avenue and the east side of Bluff Road on Sumner Avenue as crews are installing mainline sewer.

Hanna Avenue from Madison Avenue to Carson Avenue will remain under construction. Traffic has been switched to the new pavement on the north half of Hanna Avenue with one lane in each direction.

DECATUR TOWNSHIP

Crack sealing will begin on Mooresville Road from Lynhurst Drive to Mann Road and Ralston Road and Paddock Road to Mann Road as weather permits.

In anticipation of the construction due to start this Spring on Stanley Road and Mirabel Road, some clearing may begin, weather permitting.

LAWRENCE TOWNSHIP

Restrictions may occur on the following streets as storm water improvements are underway.

- Lennington Drive
- Elizabeth Street
- Edmondson Avenue
- 40th Street
- Kenneth Avenue
- Villard Avenue
- Desmond Avenue

Restrictions may occur as resurfacing and other work will possibly begin on the following streets.

- Catalina Drive from Strathmore Drive to Maurine Drive
- Delmont Drive from Catalina Drive to Monterey Road
- Strathmore Drive from 38th Street to 39th Street

Concrete work has begun on Arborcrest Drive from 42nd Street to Meadowlark Drive.

86th Street from Hague Road to Sargent Road will be closed during construction. A detour will be in effect that will direct 86th Street through traffic to 82nd Street via Hague Road and Sargent Road.
